Volunteer - General Information

Volunteer

Thank you for signing up to volunteer at the NW Championship regatta! Here are some general tips to help you have a successful and pleasant regatta experience:

- Know your schedule! Arrive 15 minutes early ready to start your shift. Please remember to account for traffic and parking into your drive time. If you are going to be late to your shift, please call the Volunteer Coordinator for that day (contact info below).
- Check in! The volunteer tent is located near the restrooms on the park side. Check in before going to your volunteer position.
- Be prepared! Your job may be in a tent or it may be out in the open. You may be sitting or you may stand the entire time. Bring a hat and dress for the weather and your job. Sunscreen, bug repellent, gloves, snacks, and beverages will be available to you at the volunteer tent.
- Have fun!
