

Portland Vancouver Rowing Association

Finish Line Weigh-Ins Control Commission

Finish Line

Work with referees to record finish times and order of finish. May flag the finish of races.

- Upon arrival check in at the volunteer tent
- Proceed to the finish line tent which is located on the sand in front of the results tent
- You will receive instructions there from the official running the finish and results

Weigh In

Assist referee with paperwork associated with weighing in coxswains and lightweight rowers.

- Upon arrival check in at volunteer tent
- Weigh-In tent located next to the finish line

Control Commission

Check in boats for launching. Assist the referee with checking boats for heel ties & bow balls, and handing out bow numbers.

- Upon arrival check in at volunteer tent
- Control Commission tent located near the launching beach and finish line
